I am an entrepreneur and I am currently working in Milan as the International Export Manager for a famous brand of toys. I am 22 years old and have spent much of my life travelling around the world; subsequently I have met many people from different countries and have a good understanding of how to converse with people of different nationalities. I am patient and love to help and teach people, I would be able to teach you good conversation British English with no accent and I can also teach you how to write in English to a high standard as I write articles for an English publication.
